## E- Safety Agreement

As the parent or legal guardian of the above pupil(s), I grant permission for my child to have access to use the internet, school email and other ICT facilities at school.

I know that my daughter or son has signed a form to confirm that they will keep to the school's rules for responsible ICT use. I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using a filtered internet service, secure access to email, employing appropriate teaching practice and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files, and the internet sites they visit. I also know that the school may contact me if there are concerns about my son/daughter's e-safety or e-behaviour.

I will support the school by promoting safe use of the internet and digital technology at home and will inform the school if I have any concerns over my child's e-safety.

## **Photography and the use of images**

Dear Parent or Guardian

During the course of the school year there may be opportunities to publicise some of the activities that your child is involved in. This may involve filming or photographing children e.g. for use on our internal display screens, on the school website or in the local news media. As a school, we welcome these opportunities and hope that you do too.

Photography or filming will only take place with the permission of the head teacher, and under the supervision of a teacher. When filming or photography is carried out by the news media, children will only be named if there is a particular reason to do so (e.g. they have won a prize), and home addresses will never be given out.

We believe that positive publicity benefits all involved with the school. Nevertheless, we will not involve your child without your consent. Please take a few minutes to fill in the form. Images of your child held by the school can be viewed upon request. You may withdraw consent at any time.
