

All About Me

Home Learning Challenges

Bring in a photograph of you when you were younger and tell us one of the ways that you have changed.

Use some paint to make handprints of everyone's hands in your family and then cut out the handprints.

Can you put them in order of size from the smallest handprint to the largest handprint? If you haven't got any paint, you could draw around hands instead!

Draw a picture that shows all of the people who are special to you.

When you get home, sit quietly and listen carefully to see what you can hear. Draw pictures of some of the things you could hear in your house or garden.

Talk to someone at home about what you would like to do when you grow up. Try and find out a little bit more about it by talking to people who know about that role or looking in a book or on the Internet.

Then, you can share what you have found out with the class.

Write a list of three things you can do to help you to stay healthy.
