Catholic Life of the School

FIRST COMMUNION 2026

The celebration of First Holy Communions next year will be on 19th April. Application forms will be available soon for the course which will begin in September and they should be returned

BY THE END OF TERM.

You must attend Mass either on a Saturday evening or Sunday morning to collect the forms from the Church, I will not be giving out forms in school – this is under the direction of Fr Peter.

Our End of Term Mass will be on Wednesday 16th July. This Mass will be for Years 1 to 6. Parents and families welcome.

Dear Families,

We started the week with some sporting achievements. The girls competed in the Cricket Regional Finals and they came 5th out of 16 teams. This is a fantastic achievement and we are extremely proud of how well they played. They were actually knocked out by the overall winners of the tournament.

Sports Day followed this and it was a fantastic day for all. The children competed in their races with great sportsmanship and the children really got engaged with cheering for their houses! A special thank you to all the staff who organised the day and helped make the day run smoothly for both KS1 and KS2. Thank you to everyone

who come to cheer on their child, it was a lovely atmosphere and we really appreciate you taking time out of your day/time off work to be part of this event.

We are fully aware that there is a lot on offer for parents to come to in school and we appreciate that parents cannot take time off work to come to every event but we try to have enough on offer for parents to be able to pick and choose what they come to across the year to be as involved in school life as you can. There is never an expectation from us for you to have to attend everything or anything. Summer term is normally the busiest as there are lots of things organised for the children.

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any parent have a concern regarding a child's wellbeing, please inform the school's Designated Safeguarding Officers: Mrs. Child, Mrs. Edwards, Miss Annely and Mrs. Bowman.

Happy Birthday!

May God never stop showering you with His blessing

Eesa in Year 6 was recently graded for a brown belt with double black stripes this week. He is very proud of his achievement and we are proud of you too Eesa, well done!

Year 1 have been working on improving their outdoor learning. The School Council have kindly funded our tuft tray stands to help develop our continuous provision. We are very grateful for their kind contribution. Thank you to Mrs Waters and all of the School Council members who continue

to raise money for the school through lots of different fundraising events.

Well done to all the children who auditioned for St. Martha's Got Talent last week. There were so many fantastic acts, the courage of the children was immense and it was a shame to not be able to put everyone through. Shortlisting was tough but the final acts have been chosen by the School Council Members and we look forward to watching them perform on Thursday 10th July at 6pm. Tickets will be available on WisePay very soon!

Thank you to everyone who took the time to fill out the survey regarding After School Clubs, we had a great response and I have a meeting scheduled with the company next week to discuss the results and next steps. I will keep you all updated as soon as I have more information.

I am pleased to share with you all that our outdoor classroom was installed this week. The children are patiently waiting for the grass to recover before they can use this fantastic new installation to our school environment. A special thank you goes to the Borough Council of King's Lynn and West Norfolk for their donation towards this project

from the Community Infrastructure Levy. We wouldn't be able to have some of the wonderful things we have without funding such as these. A special thank you to Mrs Doherty for taking the time and effort to apply for the funding. We would also like to thank our PTA for their donation towards the project too and we are extremely grateful for the work the PTA do to help raise money to put towards the school and the children's learning experiences.

We are so grateful for all the donations sent in last week for Reception and Year 1. Thank you to everyone who sent something in. We are always happy to receive donations but please just check with the teachers before sending them in.

Wishing you all a very lovely weekend.

Mrs Edwards
